**Commercial containerized
garbage services (dumpsters)
are not a part of this contract.**

Commercial dumpster service is provided by haulers franchised by the City. For a list of franchised haulers, visit our website or office, or call (254) 933-5800.

Garbage Service: Waste Management provides residential garbage service in the City of Belton. There is a **limit of five (5) items each service day**. An item is a bag, bundle, box, can, or bulky waste item (appliance, furniture, etc). Yard trimming or debris placed inside bags or trash cans will be picked up by Waste Management as one of the five items. Loose brush, yard trimmings, or debris will NOT be picked up by Waste Management. Please refer to Frequently Asked Questions (FAQ's) on the back for more information on services.

Commercial Garbage Service: Small business customers are serviced by Waste Management using a cart system. Base service provides one cart with once a week pickup service. If you need additional carts or additional weekly pickups, please contact the Utility Billing office. Small commercial garbage service does NOT include brush collection.

Larger commercial customers are provided dumpster service by haulers franchised by the City. To obtain a list of franchised haulers, please visit our office or website, or contact the Utility Billing office.

Container Packaging: Package all waste in a type of container designed for use as a residential trash container such as standard, lightweight metal cans, plastic cans, or sturdy plastic trash bags. Containers and bags should weigh no more than fifty pounds (50 lbs.) each.

Brush Collection: City of Belton crews will now provide collection of large amounts of brush, loose yard waste, and tree trimmings that are not able to fit into container packaging as described above. The fee for residential brush collection is included in the rates above. Brush collection for commercial customers is available at a cost per load, but is not included in the rates above.

- Call us at 933-5800 or go online at www.beltontexas.gov to schedule a brush pickup.
- Tree limbs and trunks should be cut into lengths of not more than 12 feet.
- Stack brush away from vehicles, low hanging wires, fences, mail boxes, gas meters, water meter boxes, and other obstacles, in order to provide safe clearance for the brush collection vehicle's crane and grapple.
- Brush piles must be free of all other trash and rubbish, because it will be taken directly to a location to be chipped into mulch.
- Do not put treated lumber, fence boards, or pallets in the brush pile.
- Do not place more than 6 cubic yards at the curb at one time. This is a pile about 4 feet wide by 12 feet long by 4 feet high.

Hazardous Waste Collection: Your residential garbage service also includes household hazardous waste collection provided by Waste Management. To schedule a pickup, please call 1-800-449-7587. For additional information, please refer to the HHW fact sheet that can be obtained at the Utility Billing office, or on the web at www.beltontexas.gov or www.wm.com.
